

**I'd like
to *tune* in
and get
you for my
Valentine.**

**I'd be
"de-lighted"
if you'd be my
Valentine.**

**Nothing
phone-y
about
wanting you
for my
Valentine!**

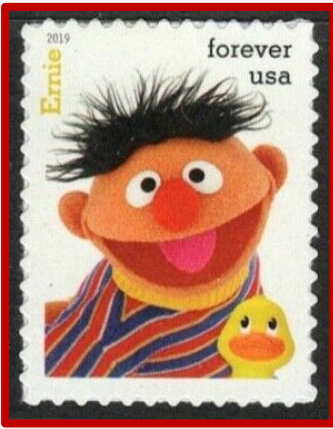

**Valentine,
you're
just my
"type."**

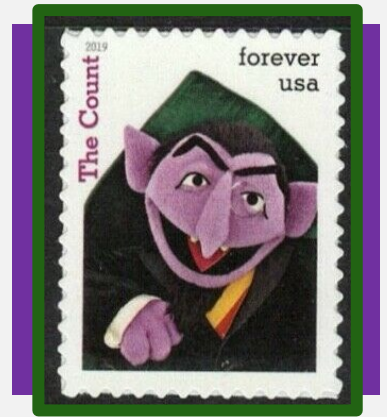

**Can you
"pitcher"
me as
your**

Valentine?

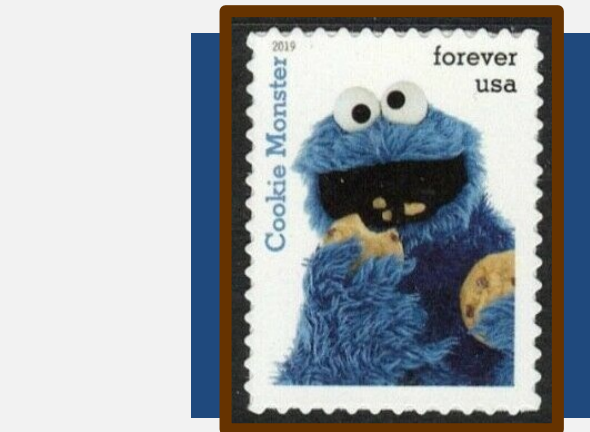

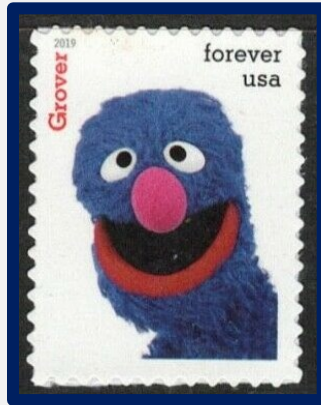

**You're
my best
buddie,
Valentine.**

**I'm
counting
on you,
Valentine!**

**Be my
cute,
adorable
Valentine!**

**Happy Valentine's
Day to a real
cute cookie!**

**Don't
be a
grouch.
Be my
Valentine!**

**You are
incredible!
Be my
Valentine.**

**I've got
my eye
on you,
Valentine!**

**You've got
a friend
in me,
Valentine.**

**Have a
fin-tastic
Valentine's
Day!**

**Can I *bug* you
to be my
Valentine?**
