THE WISCONSIN FEDERATION OF STAMP CLUBS

September Bulletin

Madison, Wisconsin

September 30, 1940

President's Message

Our efforts in getting out a bulletin for September is one of those tasks which is quite difficult to accomplish due to the fact that many clubs are still in a vacation mood. Mrs. Winrich, our hard working secretary, has tried until her patience is nearly exhausted but here goes with the data we have at hand.

On October 15, 1940, I will be called into Federal Service as a member of Headquarters, 32nd Division, Wisconsin National Guard, and will turn over the duties of President of the Federation to our worthy Vice-President, Ray Van Handel, Sheboygan. He has accepted the challenge with a smile and I am confident that you will have as good if not a better leader for the balance of the year, as Ray is one of those up-and-at-'em fellows.

I had planned on visiting many of the stamp clubs during the coming Fall and Winter seasons and prior to the Fond du Lac convention, in an endeavor to increase interest among junior collectors. These plans, of course, due to my unforeseen departure, must be abandoned but I am certain that your remaining officers will carry on so that any interested junior may have an opportunity of expressing his interest in philately. I am hopeful that a good junior division can be developed for the Fond du Lac exhibit in 1941.

Fraternally yours,

LEO B. LEVENICK
President

President's Message

Our efforts in securing our September Bulletin for September is one of those tasks which is quite difficult to accomplish due to the fact that many clubs are still in a vacation mood. Mrs. Winkler, our hard working secretary, has tried until her patience is nearly exhausted but none have with the date we have at hand.

On October 15, 1940, I will be called into Federal Service as a member of Headquarters, 3rd Division, Wisconsin National Guard, and will turn over the duties of President of the Federation to our worthy Vice-President, Ray Van Handel, Snyggan. He has accepted the challenge with a smile and I am confident that you will have as good if not a better leader for the balance of the year, as Ray is one of those up-and-coming fellows.

I had planned on visiting many of the stamp clubs during the coming Fall and Winter seasons and prior to the end of the convention, in an endeavor to increase interest among Junior collectors. These plans, of course, due to my numerous engagements, must be abandoned but I am certain that your remaining officers will carry on so that any interested Junior may have an opportunity of expressing his interest in philately. I am hopeful that a good Junior division can be developed for the time to come in 1941.

Respectfully yours,

LEO H. DEWINTER
President

Miss Lenna White, Secretary of the Beacon Stamp Club, Statesan, announces that an exhibit will be held in the near future. This is a commendable project and if one considers that the majority of members are shut-ins the officers of the club are to be commended on their efforts. Our Southern Regional Vice President is to contact Miss White and make definite arrangements and more will be distributed by Mrs. Winrich as soon as it is available.

Miss White also announces that as a means of assmblying a little fund for the club it will sponsor a first day service at 3¢ over face for singles. All covers with pairs and blocks are serviced for a charge of 5¢ over face value of stamps. These rates do not include plate numbers, position blocks or other specialities, but do include printed covers neatly typed and all over clerical and mailing work. It is suggested that any interested parties contact Miss White for this service.

The Oshkosh Philatelic Society has voted to join the National Federation in the Fall.

Through the transfer of the Rev. C. Luke Leitermann from St. Mary's parish at Oshkosh to St. Luke's at Two Rivers, our Society loses a very efficient president and a very popular member, who has endeared himself to all who have come in contact with him. Much of the growth in membership and activity of the club within the last two years has been due to the untiring efforts of Father Leitermann.

Wednesday evening, July 3, a dinner was given in his honor at the Showboat Restaurant, which was attended by 31 persons, almost all of the members of the Society being present. All who were there voiced their regrets that Father Leitermann is compelled to leave us, and wished him all success in his new field. Two Rivers is due for a strong philatelic "shot in the arm."

The next meeting of the Oshkosh Club will be held October 1st with election of officers. The members will be entertained with a stamp film.

1941 Convention - Fond du Lac

Plans for the 1941 Federation Convention are progressing and advice from the President of the Fond du Lac group indicates that they will have detailed information to announce in the very near future. It is suggested that each club hold preliminary shows of their own after the holidays so that the better exhibits may be entered in the State Show. The Footloose Philatelists indicate that plans are under way for a bigger and better junior exhibit at the 1941 Convention - more about this later, believe it or not!

A great deal of credit is due our Southern Regional Vice-President, Paul Segnitz, for his efforts in the entertainment of Colonel J. A. Hooper, Commander in Chief of the Pioneer Philatelic Phalanx and his wife during their short stay in Wisconsin. The Milwaukee Philatelic Society entertained these charming individuals at their annual meeting on September 24, 1940, in the Sky Room, Hotel Aster. A good attendance was present and all enjoyed the Colonel's talk.
