PRESIDENT'S MESSAGE

The approaching Holiday Season is the time of the year in which we give joyous greetings and the usual "Peace on Earth, Good Will Towards Men."

We, the stamp collectors of the world, do not need this reminder. We do not show hatred of a country during time of war, or envy during peace and prosperity. Rather in our albums we show the history of a country, the good years and the bad ones and we continue to collect these countries. We do not burn our albums and stamps because we are angry. Rather, we add each new stamp and watch the history of the World unfold.

If only it was this simple to carry the message "Peace on Earth."

On behalf of the other officers and myself, I wish to all members of the Wisconsin Federation of Stamp Clubs a Merry Christmas and a hope that the New Year will bring happiness to all.

Sincerely,

Arthur J. Kipp,
President

NOTES FROM THE SECRETARY

My apologies to the Janesville Stamp Club for not including the name of their Secretary in the last bulletin. I have included it under Club News in this issue of the Bulletin.

All Clubs - ATTENTION! Please send in your meeting dates so that the President can attend one of your meetings, time and weather permitting. Also include the place of the meeting and any special directions required.

Please remember that membership fees are due January 1, 1960. The dues are 20 cents per member with a minimum charge of \$2.00 and a maximum of \$10.00. Send your check to the Secretary-Treasurer whose address is listed below. Indicate with your remittance the number of bulletins your club requires. Any bulletins left over are an unnecessary cost to the Federation.

The Secretary extends to all members of the Federation the most joyous holiday season that they have ever experienced. May the New Year bring to all - Health, Happiness and lots of ambition to finish their entry for the exhibition being held in Milwaukee on May 14-15.

Philatelically Yours,

John Levinson
