FROM OUR PRESIDENT.....

I am happy to report that, with the help of Herbert Burgett, the W.F.S.C. will have another club. A group of Christmas Seal and Charity Stamp collectors will be joining the federation at the next convention, if accepted, as a topical group.

Also happy to report that the stamp collectors of the Kettle Moraine Coin & Stamp Club will join the federation after the first of the year. Erwin J. Franzel, past president of the W.F.S.C., is president of this group.

We have been communicating with the Janesville Stamp Club and understand that they are working hard on plans for the next convention and it promises to be a real big one. I hope that many of our members are planning to exhibit. Now is the time to start planning. We also hope that you will encourage more juniors to participate this year.

Thanks for all the Christmas ads. Also for the news contributions. Keep sending in the news and ads. Remember also that after the 1st of the year the federation dues are payable.

Alex Kaiser, President

FROM THE SEC.-TREAS.....

Greetings:

My thanks to all who contributed to this issue of the Bulletin. Thanks especially to those who drew their own Christmas ads; Ray Van Handel Sr., Burton Warner, Cap Schoenebeck and Joe Damon. Cap and Joe also cut their own stencils. Ray also made the small drawings in the individual Christmas ads. Thanks a lot.

The next issue will be the Pre-Convention Issue and we hope to have it out March 1st. Please send in your club news and stories and we will try and make this a real good issue. How about some pictures?

Remember to send your dues in early.

QUEEN CITY PHILATELIC SOCIETY

E. O. "Cap" Schoenebeck reports that the Queen City Philatelic Society is planning its annual Christmas party. This will be held in the Pine Room at the Silver Dome in Marinette. At this meeting the only business which is conducted is the election of officers and a short movie pertaining to the event. Gifts are exchanged and there is a banquet. This has always been the high light of the year with usually in the neighborhood of forty in attendance.

NORTHWESTERN MUTUAL STAMP CLUB

Paul Zientek reports that the club had a U. S. auction November 18th. The stamps auctioned were Carl Skupski's wife's early U.S. with such items as Walloons, Norse-Americans etc.

The club's annual Christmas party will be on the second Sunday of December.

COLLECTORS CLUB OF FOND DU LAC

Many of the members of the Collectors Club are also members of the Fond du Lac Coin Club and as such participated in the recent Coin Jamboree which was a big success. There was keen competition in the exhibition with many outstanding displays. Harry Kowalewski, a member of the Collectors Club, won first place in the paper money category.

The president of the Collectors Club of Fond du Lac, Clifton Kruck, 20 S. Seymour St., Fond du Lac, is recuperating at his home from a series of operations which kept him in the hospital for several months.

JANESVILLE STAMP CLUB

Mrs. Robert Westfall reports that an election was held on October 6th. New officers of the club are:

Pres. -- Ted E. Eickemeyer, 414 S. Parker Drive.

Vice Pres. -- Howard C. Koeppen, Clinton.

Sec.-Treas. -- Mrs. Robert F. Westfall (re-elected), 1704 Eastwood Eastwood Avenue.

CONGRADULATIONS

The Lake County Philatelic Society is to be commended for their excellent club publication, PERFORATIONS. It is a very newsy little paper and could set an example for other clubs to follow. The editor is Howard Shaughnessy, 2423 Chestnut St., Waukegan, Ill. I am sure that if you write to him he will be glad to send you a copy. Be courteous and inclose a five cent stamp or two.

AUCTIONS

The Rockford Stamp Club conducts an auction every other meeting and a week before the auction a very descriptive listing of auction lots is sent out to all members and others interested.

THOUGHTFUL COURTESY

It only takes a little extra time and effort to use commemorative stamps on all our mail to fellow collectors. It would be appreciated.

OSHKOSH PHILATELIC SOCIETY

Secretary Herbert E. Burgett is certainly on the ball when it comes to reporting his club news. He not only reports; he sends practically complete minutes of each meeting plus other interesting sidelights. This even after working an eleven hour day.

He reports that the club had a lot of fun at their "White Elephant Sale" in October. The 14 members and 2 visitors had a ball bidding on the 32 items auctioned off by former president, George Weitenbeck. Top bid was for a pair of ladies hosiery which went for eighty cents. Low bid was for a used light bulb which went for only one cent. The sale netted the club \$6.20.

The club's annual smorgasbord was held on November 3rd. Being election night the motif was patriotic. It was held at the public museum and fourteen members and eleven guests were present. Charles J. Peirce showed movies of his recent trip to the World's Fair, Canada and other eastern parts of the U.S.

Mr. and Mrs. Guy Smith gave a talk on stamps at Lawnview School. It was very enthusiastically received and several who heard the talk attended the following meeting of the club.

New members of the club are:
Joseph Gorny, 1506 Spruce St., Oshkosh. U.S. & Foreign.
Mrs. Ellen Horn, 203 W. Irving Ave., Oshkosh. F.D.C. & Plate blox
George F. Moore (re-instated), 734 Frederick St., Oshkosh. U.S.

Edward D. Hamilton suffered a mild stroke the first part of October and is not able to do much while he is recuperating. It is hoped by all who know him that he will be able to attend the convention in Janesville.

KETTLE MORAINÉ COIN AND STAMP CLUB "Curly" Ochs reporting.

The first annual banquet of the Kettle Moraine Coin & Stamp Club was held November 15th at Linden Inn on Big Cedar Lake. One hundred and twenty attended the dinner and auction.

Seventy auction lots were offered -- mostly coins but there will also some very fine stamp lots. Prices were high but most lots were very fine and commanded high bidding. Presiednt Erwin J. Franzel was auctioneer.

A spendid meal was well served and everyone had a wonderful time.

Each banquet goer was allowed to purchase two Kennedy half dollars (one of each mint) brilliant uncirculated for only 88¢. Change for the dollar was given in other uncirculated coins.

Al Zarne spoke on counterfeit money.

Fifteen door prizes were awarded.

THE STAMP COLLECTING MEMBERS WILL BECOME MEMBERS OF THE FEDERATION THE 1st OF THE YEAR.

REPORT ON W.S.P. STAMP CLUB

Edward D. Hamilton, Oshkosh, wrote two times to the Wisconsin State Prison about the possibility of organizing a stamp club for the inmates. They did not have the courtesy to reply to either letter. This is his third letter:

November 20, 1964

Wisconsin State Prison
Waupun, Wis.

Gentlemen:

I wrote several times in the name of the Wisconsin Federation of Stamp Clubs, and asked, if your institution would be interested to form a stamp club for some of the inmates.

I was instructed by the Federation, which has several thousand members, to do so, and need a reply for our publication.

Since I did not receive any confirmation of those letters, I have no other alternative but to present this matter to the governor of the state.

I will forward the copies of my letters as well as the request to the new governor after he takes office.

yours very truly,

Edward D. Hamilton, Public Relations
Wisconsin Federation of Stamp Clubs.

SEAL COLLECTORS ATTENTION

You can still be a charter member of the new seal club now forming. Even if only remotely interested in seals you are eligible to become a member. For further information write to: HERBERT E. BURGETT, 615 Amherst Ave., Oshkosh, Wis.

SUGGESTION

Have you ever thought of the many benefits of having a permanent address for your club? This is possible by having a post office box in the name of the club. Then even though you have a change of officers the address remains the same. Cost is quite small a year. This would be a real blessing to the secretary of the W.F.S.C. because many times in the past bulletins have been missent to addresses of previous club secretaries. This would also be a great benefit to clubs who have their own stationery in that it could also include a permanent address.

LAKE COUNTY PHILATELIC SOCIETY by Howard Shaughnessy in "Perforations"

A door prize is given each meeting of \$2.50 credit which can be spent on stamps or supplies from any dealer who is a member of the club.

Howard Shaughnessy offered a group of prizes (stamp albums) for the best tie-in displays exhibited by members during National Stamp Collecting Week -- November 16th to 22nd. To qualify an exhibit had to tie in with the place of the exhibit such as bank, YMCA, service club, commercial firm (such as "Music on Stamps" for a music store, library etc.

The LCPS is host club to the Illinois Federation of Stamp Clubs 28th annual convention, April 24th and 25th.

It is always with reluctance that we type the last few lines of the Bulletin. Did we omit some piece of news? Did we slight some one or some club? We hope not but if we did it was surely unintentional and we ask your pardon. Call it to our attention and we will try and make amends in the next issue.

SWAPS

No charge for this service. Just send them in to Albert Andorfer, 130 Forest Ave., Apt. 37, Fond du Lac, Wis.

Charles J. Peirce, 1312 Ontario St., Oshkosh, Wis.
Send 50 or 100 large, used commemoratives of the world. Will send equal value.

Ray Micek, 5105 Tocora Lane, Madison, Wis.

Dear Mr. Hamilton:

We are not at this time interested in the formation of a stamp club. It might be that at a future time, after I have checked other prisons' experiences, we might be interested.

I was not favorably impressed with the last two paragraphs of your letter.

I just received your letter of November 20 on my return from deer hunting.
