SPRING EDITION

MARCH 1, 1965

FROM OUR PRESIDENT

All too fast another year has almost passed and another W.F.S.C. convention is approaching. It has been a good year. At the business meeting we hope to see several new clubs applying for membership in the Federation. Many of the clubs have shown an increase in membership this past year and as a whole an increase in interest in philately has been evident, especially among juniors. We hope that the coming year will see this interest continue to grow.

The year has also brought sadness to many of us by the death of some of our members and friends, some of whom were very active in the Federation.

We hope to see a very good attendance at Janesville on May 15th and 16th and the secretary and I are personally looking forward to meeting many of you there.

Janesville is working very hard to make this an outstanding show and convention. It is hoped that this show will have the largest exhibit in W.F.S.C. history but that depends on you. If at all possible send in an exhibit. This year should also see a great increase in junior exhibitors so give some youngster the necessary encouragement to exhibit. But whether you exhibit or not plan on spending an enjoyable week-end in Janesville and bring the whole family. Let's make this a real family event.

We hope to also see a very good attendance at the various meetings during the convention; the Foot Loose, the Fancy Frees, the Wisconsin Postal History Society and the newly organized Wisconsin Christmas Seal and Charity Stamp Society.

We have an unusual situation in the Federation this year in that two of our member clubs are sponsoring state shows. We all know of the coming W.F.S.C. show in Janesville but the Lake County Philatelic Society is also host to the Illinois Federation of Stamp Clubs in their annual show and convention. Let's all of us show the Lake County boys (and girls) that we are solidly behind them and have a good attendance of W.F.S.C. members at this show also.

At this time of the year many of our clubs are also staging local shows. We will soon be getting the itch to pack the family in the buggy and go places on these coming pleasant week-ends of Spring. On these little week-end excursions why not take in one of these local shows.

Every club in the Federation should have a delegate and alternate at the business meeting on May 15th at Janesville. But your club must be in good standing to be represented at the meeting. So,

if you have not done so, please send in your club's per capita dues soon as possible. Also each delegate and alternate must present proper credentials from their club or society.

I wish to thank all of you for the fine cooperation you have shown me during my term as President and I hope that you will also give the new President the support needed to make our Federation the greatest in the country.

See you in Janesville.

Alex Kaiser
President, W.F.S.C.

FROM THE SEC.-TREAS.

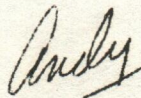

My deepest thanks to all of you for the fine cooperation you given me during my term of office. I would like to mention personally those who have been especially cooperative and helpful but I hesitate because the list is so long and I would hate to slight anyone by omission. But I can't neglect to thank personally one who has been especially helpful. Never once has he refused help or advice when it was needed. He is a real credit to the Federation and you all know him. He is none other than O. H. "Curly" Ochs.

So far only about one half of the clubs have sent in their per capita dues. If you have not already done so will you please do so as soon as possible. I will be closing the books a couple of weeks before the convention and I would like very much to show a fairly decent balance. That will be difficult without all of the per capita dues because of the heavy expenses this year for the large Bulletins. Dues are 30¢ per member with a minimum of \$3.00 and a maximum of \$20.00 bases on membership the 1st of January of this year.

We wish the new secretary-treasurer the best of luck and hope that you will continue your fine support to make his work just a little easier. Send in your club news, election results, ads etc. regularly and let's make the Bulletin something of benefit to all of us.

My term of office has been a very rewarding one. Not in material gain that is sure, but in the many new friends I have acquired. To me, a friend is worth more than all the money in the world.

See you all in Janesville.

VICE PRESIDENT — W.F.S.C.

GENERAL CHAIRMAN — 1965 W.F.S.C. CONVENTION

Greetings:

As WFSC Vice-President and General Chairman of the 34th Annual WFSC Convention and Exhibition I wish to extend an invitation to each of you to attend YOUR show at Janesville, May 15-16, 1965. Included in this Bulletin is a complete prospectus for your information and guidance.

Several years ago at an Illinois regional stamp show I was talking with a prominent (?) midwest philatelist who considered himself an expert on stamp shows. He made the statement that "the Wisconsin Federation did not know how to put on a good stamp show". I am sure that the WFSC shows that we have had the past few years have refuted that remark. However, I have accepted the statement he made as a challenge and therefore, on behalf of the Janesville Stamp Club and our Show Committee I pledge to you that we will do our utmost to make this 34th Annual Convention and Exhibition not only the best Wisconsin show ever, but one of the best shows ever to be held in the Midwest. However, we must have your help to accomplish this.

The heart of any good stamp show is the exhibition, therefore, I am asking you to enter your exhibit. Do not hesitate because you might have shown in recent WFSC shows. This is the first WFSC show in Janesville and the first in the Southwestern Region in 27 years. Janesville is less than 2 hours from Chicago, via I-90, and we expect to draw a good crowd from Illinois and Iowa. Let's show them a real show. We also wish to have all previous WFSC First Grand Award winners exhibit in the Championship Class. Perhaps some of the other clubs could follow the example of the Northwestern Mutual Stamp Club and sponsor one of their local member's winning exhibit in the state show.

One word of caution, we are planning to print a complete list of exhibits in the souvenir program, therefore we must have all exhibit entry forms by May 1st. DO IT NOW.

Attend the Show That's Alive in Sixty-five.

GREEN BAY PHILATELIC SOCIETY Robert E. Kohl reporting

The Green Bay Philatelic Society has taken on a "new look" by the presence of ladies at the December and January meetings. Two of the ladies, Mrs. Frank BeFay and Mrs. Harland Joslin, have joined as members. Plans are in the making for the promotion of junior stamp collecting beginning next fall. Also an auction is being planned for the early Spring.

At the December meeting a colored film "The Spirit of Christmas" was shown and at the January meeting we viewed ATA slides "Scouts on Stamps".

NORTHWESTERN MUTUAL STAMP CLUB Paul Zientek reporting

The annual business meeting and election of officers was held in January. The new office of librarian has been added to the roster of officers this year.

It was voted at the business meeting to maintain relations with the Federation. Meeting date was changed to the second Tuesday of the month. We are going to continue the practice of meeting at members' homes. This practice has been well received by our membership. We moved our business meeting up to the month of December. It is going to be the Tuesday after the Christmas party. That party is always on a Sunday.

It has not been decided yet whether there will be a picnic this year. This will be taken up by the Executive Committee in the near future. Also to be considered is whether there will be an exhibit this year. This exhibit is usually a week or two after the Federation convention and exhibit.

The club reports two drop outs, John Rice and Inez Stehlik. A new member is Keyte Hanson.

WISCONSIN POSTAL HISTORY SOCIETY Charles J. Peirce reporting

The annual meeting of the society will be held on Sunday, May 16th, at 10 AM during the Federation convention at Janesville. Election of officers and regular business will be conducted.

Charles J. Peirce, secretary-treasurer, was accepted as a member of the American Philatelic Society recently. He was sponsored by George Nevitt of Oshkosh.

SHEBOYGAN STAMP CLUB Ray Van Handel, Sr. reporting

On December 16th our annual Christmas party was held in our meeting quarters in Citizens Bank. Fifty two were in attendance which included the wives of many of our members. A film "Telstar", furnished by the telephone company was shown after which we had coffee (and coffee only) and the usual Christmas baked goodies.

LAKE COUNTY PHILATELIC SOCIETY

Here are some hi-lites gleamed from that excellent club paper PERFORATIONS edited by Howard Shaughnessy.

In January, through the courtesy of Ralph O. Hoffman, of the W.F.S.C. and Neenah, a philatelic quiz was conducted. Also in January was auction night conducted by John T. Beck. At the first February meeting an interesting slide program "Postmark United Nations" was shown.

An interesting gimmick was used this year to encourage early payment of dues. A super-duper mixture special was available FREE to all paid up members of 1965. (Leave it to Howard Shaughnessy and the other officers of L.C.P.S. to come up with some mighty clever ideas --Andy).

Again this year ballots for Linn's 17th Annual Design Derby were sent out to all members. An example of splendid cooperation from a club in voicing it's opinion on our stamp issues.

John I. Franz reporting

We here in Manitowoc will regret very much to see our old friend Lee Lyons, an active secretary of our club for many years, sit on the side lines at our meetings. He decided to take it easy and leave the young gaffers do some of the work for a change. So he recommended my son, and he was elected secretary, and I think that gives us something no other club can claim, a father-son combination. Any challenges to this claim?

ROCKFORD STAMP CLUB

Ben Jelinek and George W. Finn reporting

A Christmas party was held on December 30th. Our program was the most interesting one of the year. If we were second graders we would call it "Show and Tell" hour. Every member brought his prize philatelic find of 1964. He also told us something about it and the circumstances of the find etc. Just a few minutes was allowed each member. The program was fun and informative as it has been in the past. Ben Jelinek brought coffee as usual and everyone brought a half dozen home made Christmas cookies so we had an assortment of the world's best.

The Rockford Stamp Club will hold its 7th Annual Exhibition on March 27-28 at the Faust Hotel in Rockford, Ill. The exhibit and bourse will be open from 10:00 AM to 10:00 PM on Saturday and from 11:00 AM to 5:00 PM on Sunday.

Fifty frames of philatelic material will be on display. The bourse will be comprised of 12 dealers from the Midwest. The public is cordially invited.

Covers with a Civil War theme cachet will be available at a cost of 15¢ each or two for 25¢. The cacheted covers may be ordered from Mr. Don Green, 1547 Keeler Ave., Beloit, Wisconsin.

MANITOWOC PHILATELIC SOCIETY John T. Franz reporting

We here in Manitowoc will regret very much to see our old friend Lee Lyons, an active secretary of our club for many years, sit on the sidelines at our meetings. He decided to take it easy and leave the young folks to some of the work for a change. So he recommended my son, and he was elected secretary, and I think that gives us something no other club can claim, a father-son combination. Any challenges to this claim?

ROCKFORD STAMP CLUB Ben Jelinek and George W. Finn reporting

A Christmas party was held on December 30th. Our program was the most interesting one of the year. If we were second graders we would call it "Show and Tell" hour. Every member brought his prize philatelic find of 1964. He also told us something about it and the circumstances of the find etc. Just a few minutes was allowed each member. The program was fun and informative as it has been in the past. Ben Jelinek brought coffee as usual and everyone brought a half dozen home made Christmas cookies so we had an assortment of the world's best.

The Rockford Stamp Club will hold its 7th Annual Exhibition on March 27-28 at the Pease Hotel in Rockford, Ill. The exhibit and bourse will be open from 10:00 AM to 10:00 PM on Saturday and from 11:00 AM to 5:00 PM on Sunday.

Fifty frames of philatelic material will be on display. The bourse will be comprised of 12 dealers from the Midwest. The public is cordially invited.

Covers with a Civil War theme each will be available at a cost of 15¢ each or two for 25¢. The cacheted covers may be ordered from Mr. Don Green, 1247 Keeler Ave., Beloit, Wisconsin.

FROM HERE AND THERE.

Because of our Bulletin being reviewed in several of the national stamp papers we have received correspondence and requests from other states. Here are several of them.

CHAS. H. HERMAN, 10124 Samoa Ave., Tujunga, Calif. 91042.

I need some of the red on white, red on yellow and the green wine stamps now in use in Wisconsin. Also state, county and city tax stamps for fishing, hunting, documentary, tobacco, beer etc. (no used decals). Also collects trading stamps and other Americana of like nature. Has many items to trade; local precancel cards, revalued envelopes etc. Will also buy.

E. L. VANDERFORD, 532 San Miguel Way, Sacramento, Calif. 95819.

Wants state hunting and fishing stamps from our area. For example, he will pay \$5.00 for an undamaged 1961 Minn. \$1.25 Non Res. Fishing Stamp. He will pay half this if not too heavily creased. Correspondence with any one interested in this type of collecting would be most welcome. He has quite a few duplicates of California fishing stamps and will send several different gratis to any one interested. He is a member of the A.T.A., A.R.A. and S.R.S.

Clubs looking for an evening's program might investigate the following:

NELSON A. FRAZAR, 1158 San Julian Drive, San Marcos, Calif. has a stock accumulated over a period of 60 years and mounted by countries. They are priced at the following discounts; Br. Colonies 65% and all the others 75%. He will send these lots on a 45 day approval to any club requesting them. Just let him know some of the countries you are interested in. He will give the club or member handling the lots 10%.

"The Fall, 1964 issue of the bulletin of the Wisconsin Federation of Stamp Clubs was a particularly elaborate production, involving a lot of work for the federation's secretary treasurer, Albert Andorfer, 130 Forest Ave., Fond du Lac."

"It's a 'book' of 42 mimeographed pages with information on every club in the federation, including the membership rosters of several of them. And features include lists of members of affiliated clubs who are qualified to serve as judges in exhibitions and collectors willing to provide programs at club meetings. It's an ambitious production, giving a distinct impression that the Wisconsin federation is providing vigorous philatelic leadership in the Badger state."

STAMPS AND MUSIC

BY ESTHER FELDKIRCHNER

Nowadays it is impossible for a part time collector to collect the world at large in stamps. It is for this reason that "topical collecting" has won my favor.

"Topical" collecting is exactly what the name implies: pick one topic and concentrate on it. To locate sellers of old issues of your chosen topic and to keep abreast of new stamp issues printed in your field, the topical collector has his "bible" called "Topical Time" -- the most extensive topical stamp journal published, and it is printed right here in Milwaukee.

The topics may be anything -- and they are everything. The list of topics in Topical Time ranges from "abbeys" to "wooden nickels". In between these in the alphabetical listing we have improbable seeming categories such as button designs, coats of arms, fauna, flora, grandmothers and their children, microbiology, mortuary subjects, space satellites and whiskers and mustaches. There is even a stamps on stamps category!

It was some fifteen years ago, when I saw the beauty of some Ludwig von Beethoven stamps in a German collection, that I became interested in music on stamps.

As a member of the international Fine Arts Unit chapter of the American Topical Association, my knowledge was augmented considerably and thereby my enjoyment increased.

The history of music, musicians and composers can be accurately followed through the interesting medium of postage stamps issued in their honor by various governments. Musicians live and pass away, governments come and go, but the postage stamps issued rest apparently forever-after in the albums of philatelists who specialize in music stamps.

The most distant individual in the history of music commemorated by philately is Guido d'Arezzo, believed to have been born about 950 A.D. Italy issued a stamp in 1950 commemorating the ninth centenary of his death.

Attributed to d'Arezzo, by some authorities, are all types of musical inventions -- including the pianoforte. Most music encyclopedias, however, credit Cristofori (1655-1731) with inventing the piano.

Think of the intriguing implications if neither of the two aforementioned -- or anyone for that matter until much later -- invented the pianoforte. In music topical stamp collecting we would not have Mozart (born 15 years after Cristofori's death) on a stamp and his piano (issued 1941, Bohemia and Moravia). Perhaps Mozart's likeness would have been printed on a stamp with a violin, on which he was also proficient. For such musical genius as Mozart's would not have been suppressed by the mere lack of invention of a certain instrument

Some music stamps have the first bars of a great composer's works printed across the face -- either with or without the author's likeness. Many great composers have had either their likeness or a few bars of their compositions (or both) engraved on stamps. More are issued as anniversary dates of their births and deaths come due.

Also historical and recent musical gatherings have been commemorated on newly issued stamps by various governments.

Just as music is a universal language -- the enjoyment of which is unhindered by its national origin, so is the enjoyment of the topical collecting of music stamps unhampered by the collector's knowledge of only a single language.

The American Topical Association, an international group of 6000 topical stamp collectors in 58 countries with headquarters in Milwaukee, has listed over 260 different subjects shown on postage stamps covering all fields of human endeavor. ATA is a non-profit educational organization publishing a 52 page bi-monthly journal TOPICAL TIME covering about 15 topics each issue, provides exchange of stamps among members by mail, has a board of 300 volunteers to answer topical stamp questions as a free membership service as well as a complimentary translation service for members. Dues are nominal. Complete information can be obtained from the executive secretary Jerome Husak, 3306 N. 50th Street, Milwaukee, Wis. Mr. Husak is also a member of the W.F.S.C.

The above story by Mrs. Feldkirchner appeared originally in the F M Guide. It was accompanied by some splendid photos of stamps and covers which we regret we are unable to use because of the cost involved in reproduction.

Mrs. Feldkirchner is a member of ATA Wis. Chapter #5. She is also a member of the Fine Arts and Casey Jones Units of ATA. During the Winter months the Feldkirchners are sojourning in Mexico.
