## NOTES FOR USE OF THE AUTHOR INDEX

Citations give the year/month, not the volume/number.

The index is sorted by computer, which means it may not always be in exactly the expected order, especially if the entry includes punctuation or abbreviations, e.g., St. is sorted as S-T, not S-A-I-N-T.

Author Index			
Author	Date	Page	Title
Anderson, Gary	2000/05	8	Wisconsin Doane cancels updated
