Are you willing to help in doing any of tasks that currently fall on a small handful of WPHS members? If so, we will contact you to discuss how you might help. _____

Dues are \$22 annually payable to the Wisconsin Postal History Society. Dues include four quarterly issues of *Badger Postal History* (Feb., May, Aug., and Nov.). If you join during the year, you will receive the back issues for that calendar year.

Converting to color will enhance our enjoyment of the *Badger* but it also adds to the cost. If you can make a donation, however modest, it will contribute to long-term viability of the WPHS.
