The following Standing Rules, whose application is not limited to one year, are guidelines for the administration of the WFSC. These rules, not to be confused with bylaws, may be adopted, eliminated, or changed at any Annual Business Meeting by a two-thirds affirmative vote of all delegates present without prior written notification, and in the interim, for reasonable cause, may be relaxed or enforced at the discretion of the Executive Board.

I. Finances

A. Finance Committee Recommendations (general)

1. It is not WFSC policy to loan money to individual clubs and only in very unusual circumstances should a loan be considered. Requests for money to help put on a show that is host to WISCOPEX will be considered on an individual basis by the WFSC Executive Board. If such a loan is made, it should be clearly understood that the loan must be repaid with interest no matter if the club makes or loses money on the show. The WFSC expects no money or share of the profits from any local show. However, the WFSC will retain all income it receives selling WFSC items at a local show.

2. Suggestions for WFSC money-making projects should be submitted to the Finance Committee for review. The project idea will then be submitted to the WFSC Executive Board for approval. The proposal must include a listing of expenses and projected income. If approved, and if necessary, “seed” money will be advanced for the project. All income from the project shall be returned to the WFSC treasury. The WFSC will not support a project that just returns the “seed” money, with profits going to an individual or WFSC club.

(a) A person in charge of a WFSC approved project shall be responsible for a report listing income and expenses for the project in its initial stages. It is important that project income and expenses be kept separate from income and expenses for other WFSC activities. The WFSC Treasurer will pay all bills submitted and deposit all monies received.

(b) After the initial stage has passed, the WFSC Treasurer shall keep track of income and expenses as they are submitted and shall provide a final report on the project.

(c) After date of event and/or initial mail orders have been filled, all physical assets of the federation (inventory of items for sale) will be held by the treasurer for further marketing.

(d) The WFSC shall be allowed to set aside 10% of the total number of its show covers or cards for use as complimentary gifts to show helpers, exhibitors, and other outside active participants, e.g., postmaster, administrators of hosting group, and design artist.

3. Across the Fence Post is the official newsletter of the WFSC. As such, the WFSC will underwrite the entire costs of its publication. The editor/advertising manager, however, must solicit ad income to help defray costs to the WFSC. The editor, advertising manager, and distributor shall be reimbursed for postage used for Across the Fence Post mailings upon receipt of a written record. (Monies for postage may be advanced if so desired.) Receipts for miscellaneous expenses for Across the Fence Post must be submitted in writing for reimbursement.

(a) All income received shall be deposited by the WFSC Treasurer. All expenses shall be paid by the WFSC Treasurer.

(b) The WFSC Treasurer shall submit a yearly report due at the WFSC Annual Business Meeting of income and expenses for Across the Fence Post.

4. BLUE BOOK Purchase Price

(a) Copies (minus binders) of the WFSC BLUE BOOK may be purchased at the price of $8/copy, which includes postage and handling costs.

(b) Policies and procedures regarding update pages and complimentary copies are published in “Guidelines for the WFSC BLUE BOOK Coordinator.”

B. Finance Committee Recommendations (expenses)

1. Reimbursement for president, vice president, secretary, and treasurer copy and mail expenses will be made upon receipt of appropriate records. The same applies for others officially involved with WFSC business, but only upon prior approval of the WFSC Treasurer. The secretary should be selective in sending copies; it is not necessary that every member club or each officer receive all mailings.

2. Telephone expense will be paid only in cases where WFSC business could not have been handled by letter.

2. Mileage expenses for officers to attend Executive Board meetings or WISCOPEX will not be reimbursed. The Executive Board may authorize mileage expenses for other reasons if such expenses are deemed necessary for WFSC business.
